ANTIQUE OUTBOARD MOTOR CLUB
SOUTHERN CALIFORNIA CHAPTER

February 2016

Our Christmas meet and lunch at Woody's Restaurant was a great success with eighteen members and guests in attendance. The club enjoyed good weather and a hot turkey dinner with all the trimmings. We welcomed two new members and everyone in attendance won a raffle prize.

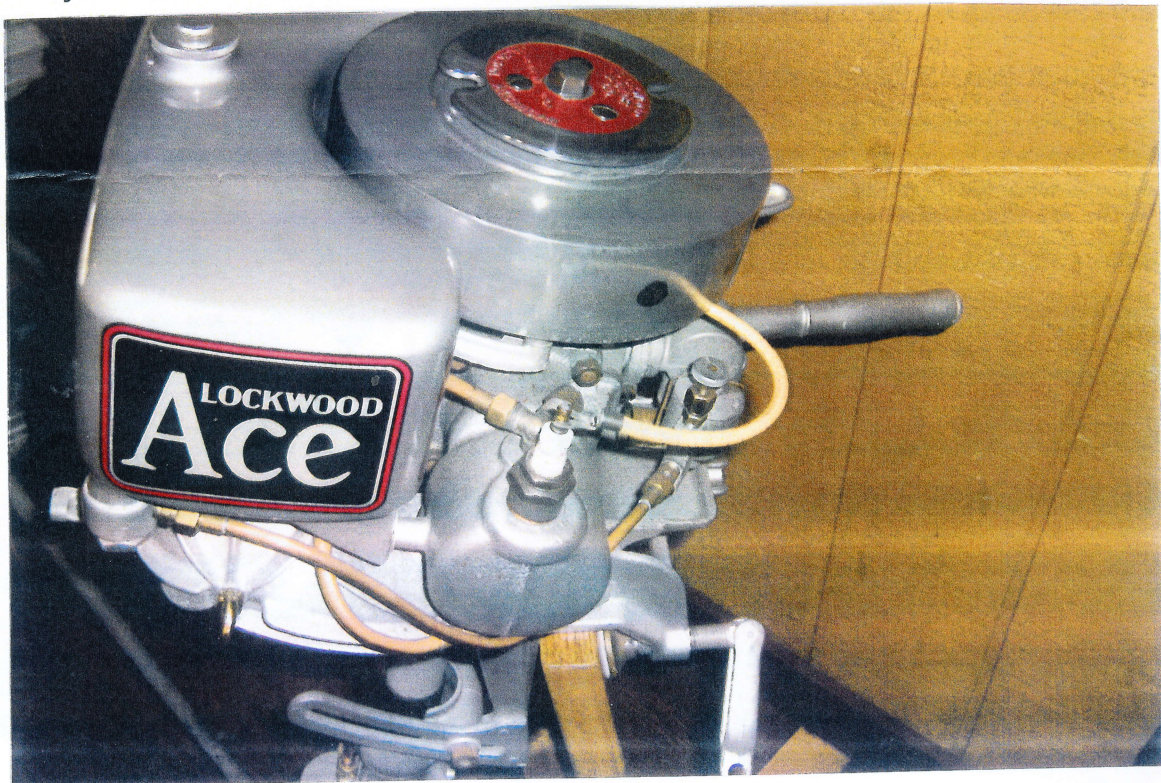

Our next Antique Outboard meet will be held at Larry Feece's Rancho * located in Rainbow, California, on Saturday, March 12, 2016, from 10:30 to 1:30. Larry will be providing a bar-b-que lunch and rides in his Model-T and the club will provide the refreshments. We will have a raffle. We hope to see you there and please RSVP to Paul at (714) 396-3041 the week before this meet.

Les Gunnarson and Frank Fowler enjoy a chat prior to our lunch at Woody's in Huntington Beach.

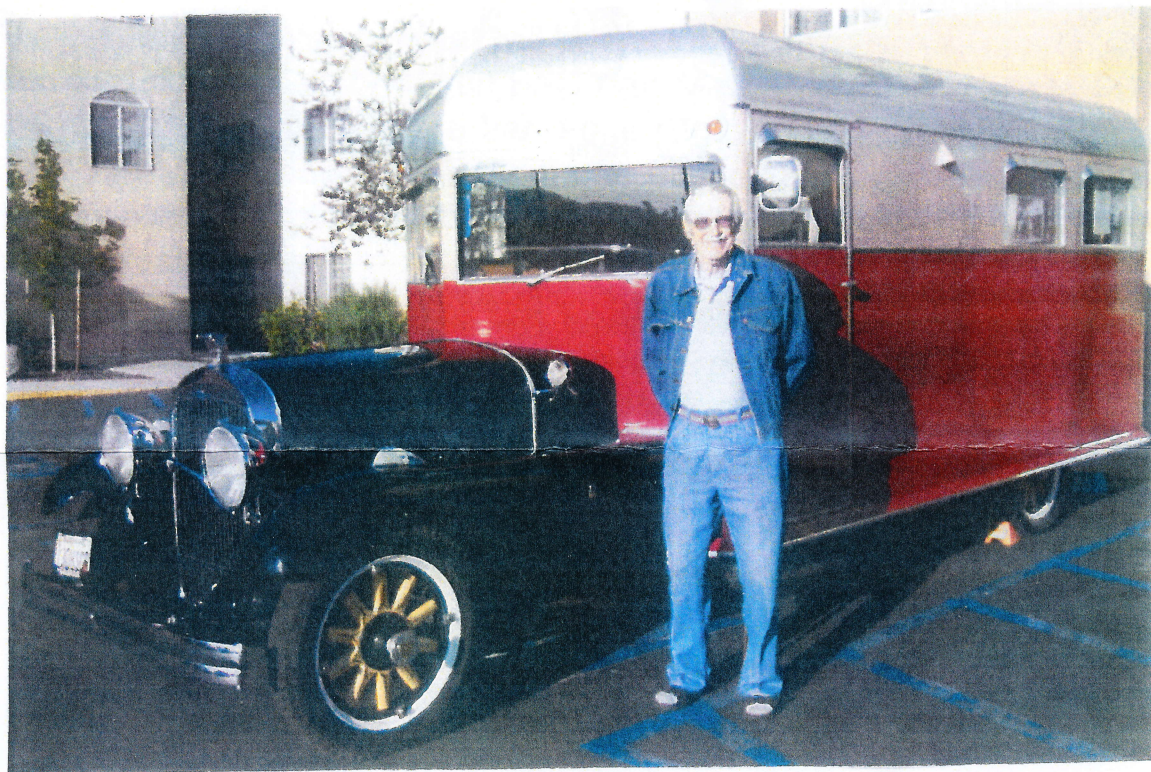

Vp. Tom Lockwood provided the outboard display which included his beautifully restored Lockwood Ace from the 1930's.

Paul Brinkman recently had lunch with John Van Dyke at his home in Goleta, California. John has finished restoring his Graham House car and now is restoring a vintage Johnson 10 outboard.

John and his wife will be in attendance at the meet in Rainbow in March.
