ANTIQUE OUTBOARD MOTOR CLUB
SOUTHERN CALIFORNIA CHAPTER

February 2018

Our Christmas Meet and lunch in Newport Beach in December was a great event with 26 members and guests in attendance. We displayed a fifty foot row of vintage and racing outboards in front of the West Marine store. Members of the public enjoyed talking to our members about the various motors. We enjoyed excellent weather, raffle prizes and a super lunch in Woody's Diner. Our next Antique Outboard Meet will be held at Les Gunnarson's house in Orange, California, on Saturday, March 10th from 10:30 am to 2:00 pm. Please RSVP to Paul at (714) 396-3041 the week before the meet.

Newest member, Doug Penn and his wife converse with members Walt Thompson and Chuck Kober.

Darryl Webber and Brad Menet enjoying the display.

Pres. Paul Brinkman admires Steve Johnson's racing vintage outboard motor display at the meet.

Tommy Lockwood and Chuck Kober discuss some vintage outboard facts during the lunch in Woody's.
