

Antique Outboard Club News

Southern California Chapter – Vol 3 November 2011

To all of you that didn't make the meet in San Diego, you really missed not only a great meet with a lot of motors on display for sale or trade, but you missed the fantastic cool weather San Diego offers this time of year.

Look at the perfect weather we had. Me giving Dave some much needed advice.

This meet was hosted by David Marotta. Thanks David for the great lunch and everything else.

Motors on display with a unknown jogger. Look at that blue water.

Frank Fowler hosted our last meet at Puddingstone. What a fine job he did, too. Sorry no pictures.

The wooden boat club had its annual boat show in Lake Arrowhead this summer and our club was represented by Paul Brinkman and George Kent.

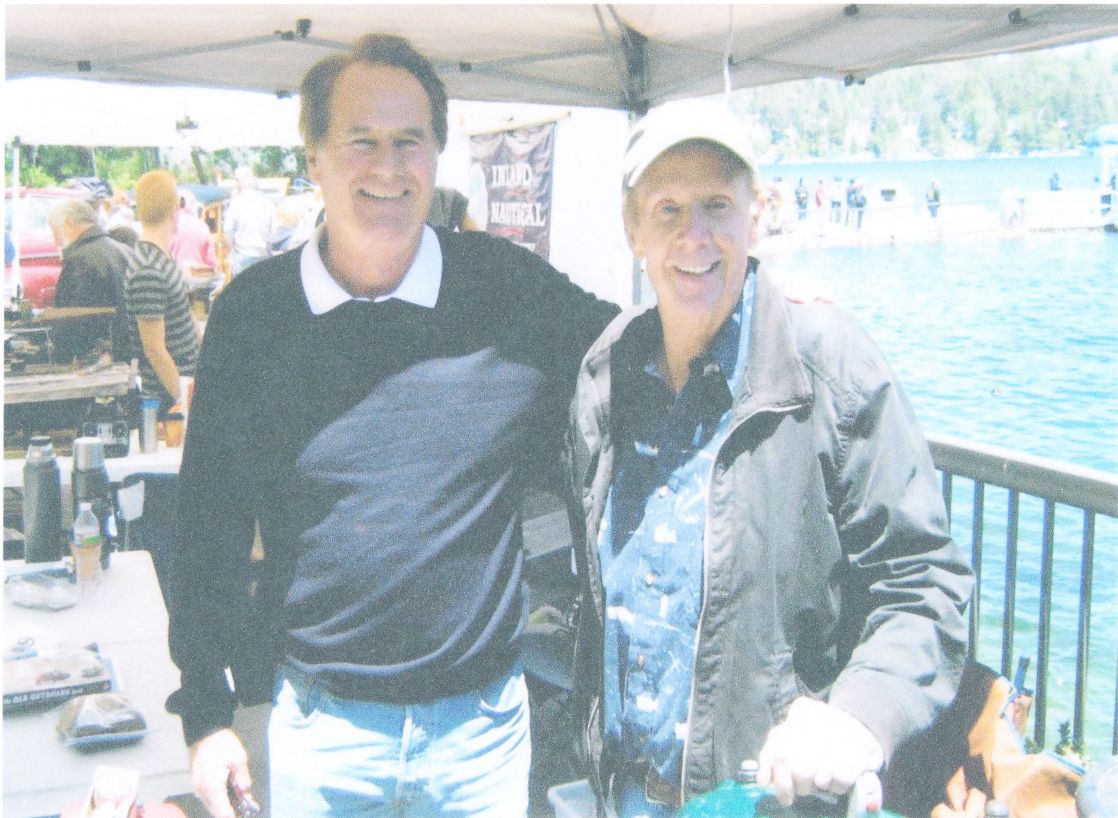

Photo above: Paul Brinkman with our late member Weston Hooks wife Elona Hook, at the Newport Beach concourse auto show.

Our annual Christmas meet is Saturday December the 3rd at Lake Elsinore. Cranes Resort mobile home park is on the west side of the lake at 15980 Grand Ave. Phone: 951-678-2112 If the weather doesn't cooperate we can display our motors inside the clubhouse. Paul Brinkman and his lovely wife Marsha will be supplying the turkey with all the fixings. And George Kent will bring his famous beans and accouterments. I know I'm looking forward to seeing some old friends at this meet. See you all there.
