Southern California Chapter – Vol 11

October 2013

Well we had a wonderful time at our last meet in San Diego. Lots of good old friends and some new ones too. The weather was the typical nice San Diego, but a little breeze. We had a lot of people come from the LA. and Orange Co. area. The meet was hosted by David Morotta, who always has supplied fabulous lunches in the past, and he sure didn't let anyone down this time. Thanks again David.

Below: Two nice engines displayed by Frank Fowler. A fine restoration of the twin tank Waterwitch, Frank.

New member Mike Pineda taking delivery of his Zodiac boat that he got from Walt Thompson.

I can't guess what's going on here!

Kip Fjeld and Les Gunnarson holding their chairs down.

Harry Martin and Richard Lowe

John VanDyke and wife, Mary Jean in the foreground, came all the way from Golita, north of Santa Barbara. Wow! Standing, George Kent's friend Connie, who we all thank for her help and great personality.

Lots and lots of motors!

The perfect venue for a outboard meet.

Our Christmas meet will be held again at Lake Elsinore, Saturday, December 7th at Cranes Resort on the west side of the lake. 15980 Grand Ave. Phone: 951-678-2112. So bring your motors for display and stuff to swap or sell. We are looking forward to having a good time, and eating some fine food. See you all there!

We will all miss his presence.....David Vaughen
