This Evinrude Lark is in excellent original condition and comes with the wiring harness and original controls. For further information concerning the purchase of this motor please contact Tom Lockwood at 714-504-0496.

The weather was great at the Mission Bay meet in August and a number of visitors stopped and inquired about our antique outboard display.

Vice-President Gerry Coats starts an antique outboard as Dave Buass and Frank Fowler lend moral support for the effort. The motor runs fine!

Club President, Paul Brinkman, Jr., displays a toy Neptune outboard motor in the original box which was made in Germany in the 1950's and the full size Neptune model A 1.7 h.p. outboard manufactured in 1951 in the United States. The other motor displayed is a 1936 Neptune.

Gerry Coats and Dave Buass return from an outboard cruise on the bay.

Membership Opportunity

Belonging to the National Antique Outboard Motor Club, Inc., entitles you to receive "The Antique Outboarder" magazine. What a tremendous resource! I always look forward to receiving each and every issue. I'm never disappointed as it is always full of letters, photos, and articles on my favorite subject, Antique Outboard Motors. This information is submitted by enthusiastic, unpaid member-contributors who want to share their intense interest with other members. This is what makes our magazine great! On August 2, 2003, we held a meeting of the Southern California Chapter and it was voted unanimously that each member must belong to the National Organization when seeking membership in our local Chapter. The National covers all of us with insurance for each and every meet. For your convenience, below is a National Application for you to fill out and mail in.

About The Club

Outboard motors have been manufactured for more than 80 years. Therefore, it is no surprise that a number of people should become interested in collecting antique outboards. The interest became so widespread that by 1960, antique outboard collectors began to correspond with one another. In October 1965, five collectors planned and organized "The Antique Outboard Motor Club." In January of 1966, the first issue of THE ANTIQUE OUTBOARDER was printed. Thirty copies were mailed to members. By January of 1983, membership had increased to approximately 1,000 people in the United States, Canada, Mexico, England and New Zealand. Our growth continues.
