

- MEET JOE -

THE ANTIQUE OUTBOARD MOTOR CLUB
OF AMERICA, INC.

THE ANTIQUE OUTBOARD MOTOR CLUB
OF AMERICA, INC.

We would like to take this
opportunity to express our
appreciation to each of our
members.

Through your membership,
interest and enthusiasm,
The Antique Outboard Motor
Club was made possible.

THE ANTIQUE OUTBOARD MOTOR CLUB

1905 - OF AMERICA - 1950

A newly formed and the most interesting outboard motor club in America today. A club to take us back to the "Gay Twenties". The crowds at the coastal waters, lakes and rivers, will be amazed, seeing us relive the life of outboards, restoring them to their natural beauty, and being proud to own an "Antique".

Let us all look back a few years to the days of the "T" model and live the life of our grandfathers. We'll see such motors as the "Elto Light Twin" with ropes for steering, designed by "Ole Evinrude" and the good "Old Lockwood" and many more.

This exclusive club was formed on June 1, 1962 and as it grows there will be many interesting projects, such as class events, etc. and will be the newest sensation in America.

The club will have as much free information as possible for its members on Antique Restoring, parts, service, races and events. So go down to Grandpa's barn and dig out that hidden treasure. It will bring you more joyous weekends than ever. Get your tool box out and see what makes them tick.

We wish to thank Evinrude Motors for the nice article which was published in the November 19th issue of "The Dock Line", showing a picture of Joe Page, head of our Repair Station. Many letters of interest have been received as of this date.

"FORT LAUDERDALE, FLORIDA"

Mr. Robert Cox, President of the Ft. Lauderdale Marina, and the latest member, thinks he has the oldest motor, which is a 1905 French made "Motor-godille".

Mr. Cox stated in an article in the Ft. Lauderdale News, "No one seems to know just who has the oldest outboard motor, but I'll bet that mine doesn't miss it by much if it doesn't hold the title."

Mr. Cox is also the proud owner of an Antique Boat the "Suwanee" built in 1907 to A.P.B.A. rules. It is 32' long and 48" wide, and is stored in New York State's Thousand Islands. Mr. Cox business is located at 1900 S. E. 15th Street, Ft. Lauderdale, Florida.

We wish to thank Mr. Cox and the Fort Lauderdale News, for the nice article published in the paper on Sunday December 2nd, 1962.

"ANCHORAGE, ALASKA"

(Antique hunting now taking place of Moose hunting)
Mr. Paul Breeding, Evinrude Dealer, has located two "Oldies" way up the river, left behind by prospectors during the gold rush. We're anxious to hear of his findings. He is now restoring a 1915 Evinrude. Paul stated that he had an old Wisconsin that came in with the first prospectors, that anyone could have by just paying freight. It weighs 75 lbs. If interested contact - Mr. Paul Breeding
1543 W. 25th
Anchorage, Alaska

- WANTED -

AMERICAN
The first outboard
built in America...
also OLD WATERMAN.

KNOW WHERE ONE IS?
CONTACT
Mr. W. J. Webb
2560 N. 97th St.
Wauwayosa 13,
Wisconsin

Portland, Oregon

Member Jerry Heermans, writes us that he is very interested in steam outboards, and once was a member of such a club. He has in his possession a copy of an 1887 U. S. patent on a steam rig.

I'm sure he would like to learn of others, so members, drop him a line.

- WANTED -

Outboards from 1936 thru 1941. 1 to 10 h.p.

Contact

Mr. E. M. Moore, Jr.
816 Poinsettia St.
Columbia, So. Car.

Mr. Moore knows of a 1913 Evinrude for sale...it runs.

Mr. Jerry Heermans
1724 S. E. 49th Ave.
Portland 15, Oregon

Collector of Old Outboard Motors

Mr. Richard A. Howie, of 31 Hillside Drive, Easton, Conn., has a collection of "97" vintage outboards, many of which are rare, such as The Indian Silver Arrow, Thor, Waterman and Motorgo. Also a collection of magazines dating back to 1897.

We are very proud to have Mr. Howie as a member.

Doctor in the Club

We are very fortunate in having Dr. Verne L. Brechner as a charter member in The Antique Outboard Motor Club. We may need his services when we start up these old motors.

Verne L. Brechner, M. D.
3320 Mandeville, Canyon Road
Los Angeles, California

Kingston, Pennsylvania

Member, W. A. Woolbert, has a most interesting collection of "Oldies" such as Ferro Machine and Foundry Co. Single Cycle Mag. Ign. Federal Motor and Mag. Co. 2 Cyl. opposed Mag. Ign. lower unit free for 360° steering, churn handle starting. Very interesting indeed.

Mr. W. A. Woolbert
715 Wyoming Avenue
Kingston, Pennsylvania

Wauwayosa, Wisconsin

Member W. J. Webb, owns a 1929 "Elto Foldtwin". We are honored to have Mr. Webb as a charter member and wish to thank him for helping make the club possible.

=====

Mr. W. J. Webb

Jim writes that he has a 1951 - 10 H. P. Mercury K.E.7 and a 1957 - 16½ H.P. Champion "Sweet Sixteen". Drop Jim a line.

Toronto, Canada

James has a keen interest in the old time engines. We are sure other members would like to contact him.

Mr. James L. Smith
330 O'Connor Drive
Toronto 6, Ontario, Canada

Philadelphia, Pennsylvania

Mr. Charles Weidman, was visiting friends in Dunedin, Florida. During his visit in this area, and being an Evinrude Dealer, was quite interested in our collection of motors on display at the Repair Station. We had a very nice conversation. Mr. Weidman has just restored a 1910 Evinrude. When he returns home, he is interested in knowing just who has the oldest motor in Philadelphia.

Mr. Charles H. Weidman
Delaware River at Tacony-Palmyra
Philadelphia 35, Penna. (Bridge

Mr. Chuck Schwab, has twin 1909 Evinrudes, and wishes to restore them. Good luck Chuck.

Mr. Chuck Schwab
West Side Boathouse

Toronto Historical Board
Gen. Office, Stanley Barracks
Toronto 2B, Canada

ATTENTION MEMBERS

If you have special news of interest to the club members that you would like in the next newsletter, we would like to hear from you.

This letter can also be of great help in locating very rare parts and technical data. Comments and suggestions would be greatly appreciated.

George and Gloria Ralph
